Petrus Advisers' shareholding in ECO Business-Immobilien AG surpasses 5% threshold

Demand for solution of ECO Business' future strategy

London/Vienna, June 4 - Petrus Advisers LLP announce that their holding in Austrian ECO Business-Immobilien AG exceeds the 5% share threshold. By June 2, 2010, 5.3% are attributable to Petrus Advisers.

Petrus Advisers are calling for a swift solution with regard to the future strategy of ECO Business. This should help to bring an end to all present conflicts and criticism, mostly directed at conwert, in the interest of all shareholders. With this announcement Petrus Advisers respond to criticism expressed by market participants as well as concerns of prominent shareholder representatives.
